

**Name:** Glen Duck  
**Placed As:** Sales Support Coordinator  
**Company:** Hyundai Capital

## How did you first come to work with Copeland?

I was looking to move into a motor trade job outside of dealerships. Copeland came up as one of the top searches on Google so I registered. You quickly came back to me with a job opportunity.

## What career goals were you trying to achieve?

I wanted a job that would give me a better work-life balance and that offered long term career progression prospects.

## What have been the benefits of working with Copeland?

Personal attention. You listened to my desires and what I wanted out of a new career. You came back to me almost straight away with the perfect opportunity and I am now in my dream job.

## What's it like working with Copeland?

You are listened to - you are not just another CV. You took a personal approach and were very attentive throughout the entire recruitment process.

You came back to me almost straight away with the perfect opportunity and I am now in my dream job.

Glen Duck, placed as Sales Support Coordinator, Hyundai Capital
